Many of our players are also a part of the region's top level grassroots club whose teams compete in the **BC Soccer Premier League** and we have had great success with graduating players moving on to University Soccer programs. In his grade 12 year he moved permanently to Vancouver to be a full-time player with the Vancouver Whitecaps FC Residency program and then on to the **NCAA with Simon Fraser University.**

Molly Race of Vernon went on to a University career in USports and is now playing professionally in the Women's Super League in Denmark with FC Nordsjaelland.
